

# THESIS EQUIVALANCE CONFIRMATION

for papers submitted by STL students concurrently enrolled in a  
doctoral program

*Please give this form to the STL thesis director.*

Student's name:

Title of paper:

The above-named student is doing the JST STL program in conjunction with a doctoral program. In lieu of the STL thesis, the student has submitted either one of the papers used in preparation for the comprehensive examinations or a portion of the final dissertation. The paper should be of comparable length and quality to that of the STL thesis.

As director of the student's STL committee, I have consulted with the other members of the student's committee and can attest that we have all read the paper and have deemed it to be equivalent to an STL thesis.
