2. What award levels are offered by your institution? [Check all that apply]

When reporting award levels for sub baccalaureate certificates (levels 1, 2, and 4), determine program length by the number of credit or contact hours, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

The 'Other' award level should not be used unless your program truly does not fit any of the other award levels. We expect very few institutions to fit the 'Other' category.

Part B - Organization - Calendar System

Your response to the next question determines how your institution reports Institutional Characteristics student charges data in the fall, Student Financial Aid data in the spring, and Graduation Rates data in the spring. **It also impacts the net price calculation in the Student Financial Aid survey.**

If the calendar system differs from prior year or requires a change, please contact the Help Desk at 877.225.2568.

3. What is the predominant calendar system at the institution? [Choose one]

Standard academic terms

Checking **Semester, Quarter, Trimester, or 4-1-4** determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FALL COHORT and student charges data for a full ACADEMIC YEAR.

Checking **Other academic calendar** determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL YEAR COHORT and student charges data for a full ACADEMIC YEAR.

Other calendar system

Checking one of the following determines that your institution will provide Student Financial Aid and Graduation Rates data based on a FULL YEAR COHORT and student charges data by the full length of each reported PROGRAM.

Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students?

Include all levels offered by your institution, **even if there are no students currently enrolled at that level.**

Responses to this question determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the spring collection. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report cost (price) of attendance data (on the IC survey) and Student Financial Aid data (in the spring collection) for these students.

6. For Fall 2005, did your institution have any full-time first-time degree/certificate-seeking students enrolled in programs at the baccalaureate level or below?

If you answer Yes to this question, you will be required to provide Graduation Rates data for the 2005-06 cohort in the spring collection. If you answer No to this question, indicate the reason you are not required to report Graduation Rates for the cohort year requested.

If you reported any full-time, first-time degree/certificate-seeking undergraduates on the 2005-06 Enrollment survey, the data will be preloaded below.

Summary

Institutional Characteristics Header Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2012.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568.

Part A - Important Instructions for New COMBINED Reporting

Data changed on this page cannot be saved and therefore will not be changed in the Prior Year system.

Important Instructions for New COMBINED Reporting on Institutional Characteristics
 For Institutions with Campus Reporting

You will submit a single Institutional Characteristics survey that combines data and characteristics from your main campus and all campuses that you report under the main campus. The only exception to this is the Price of Attendance, which you will submit separately for the main campus and each campus. The Price of Attendance screen in Part D is for the main campus; the Price of Attendance screens in Part F are for the campuses.

Please report **combined** data for the following parts:
 Part A - Mission Statement
 Part B - Admissions Requirements and Estimated Enrollment
 Part C - Student Services

Back to top

Part D - Student Charges - all screens, **except Cost of Attendance**
Part E - Athletic Association

Please report data **separately** for the main campus:
Part D - Cost of Attendance

Please report data **separately** for each campus:
Part F - Award Levels; Full-time, first-time students; Cost of Attendance

The Part F screens will be provided for the submission of separate data by campus. Please note that the Part F list of campuses will not appear on the IC menu bar until you have responded to screening questions in Parts B and D.

Screens will also be provided so that you can update the Institution Identification information for each branch campus.

Part B - Admissions and Estimated Enrollment

1. Does your institution have an open admission policy for all or most entering first-time degree/certificate-seeking undergraduate-level students?

If the only requirement for admission is a high school diploma or GED/other equivalent, your institution is still considered open admission. Institutions that require only an Ability to Benefit or similar test beyond the diploma/equivalent, and only reject a very small number of students based on the test, are also considered open admission.

If your institution does not have an open admission policy, you will be expected to answer additional questions (B2, B3, and B4) regarding your admissions procedures and admissions yield.

Yes
 No

You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents.

years may be corrected. If your institution participates in any Title IV programs (Pell, Stafford, etc.), you must complete all information for the current year. *Estimates of expenses for books and supplies, room and board, and other expenses are those from the Cost of Attendance report used by the financial aid office in determining financial need. Please talk to your financial aid office to get these numbers, to ensure that you are reporting correct numbers.*

Leave items that do not apply blank and the system will fill in as "not applicable" or indicate that more information is needed. For example, if your institution was not open in 2008-09, leave those cells blank and call the Help Desk to override any errors. DO NOT attempt to overcome the errors by entering false data.

If the 2011-12 tuition and/or fees for entering students are covered by a tuition guarantee program, check the applicable box(es) under 'Tuition Guarantee'. Additionally, if the guarantee is not for a 0% increase, please indicate the maximum % increase guarantee. These numbers are expected to be fairly small. Please contact the Help Desk if you are confused about these values and how to report them.
