HOW TO COMPLETE YOUR ROOM INVENTORY INSPECTION

It's the expectation of the Offices of Housing and Residence Life that the condition of your room upon checkout is the same as when you moved in: **MOVE-IN CONDITION = MOVE-OUT CONDITION**
For this to be possible you must routinely clean and care for your space.

COMMUNITY RESPONSIBILITY POLICY

It's the policy of Santa Clara University and The Offices of Housing and Residence Life that students share in the responsibility of setting and maintaining a studious and respectful environment in the campus residence halls. By expecting students to take responsibility for their environment, we strive to instill a sense of community and pride in their living accommodations.

If there is deliberate or accidental damage *not assigned to an individual or group*, the burden of repair cost will be shared by all residents of that living unit or section. Acts such as vandalism are not tolerated and students held responsible for vandalism will be promptly referred to the Office of Student Life. Students should both be aware of concerns within their community and report them when appropriate.
